When applying for scholarships, please note the following:

Applicant must be full-time student at Uppsala University or another university or college, depending on what is specified in the requirements. Provide written documentation of any qualifications you want to invoke. Including a current nationscard! Enter all your study results (credits) and clearly indicate the number of semesters of full time or part time university or college studies, as well as any interruptions in your studies.

The so called scholarship ceiling, which regulates that a student can not hold smaller scholarships from the University or the nation to an amount exceeding the ceiling, currently SEK 38.000/ year. (Scholarships covering tuition fees for exchange students do not count toward the ceiling.) Students who have full educational grants for postgraduate studies or an equivalent income (currently SEK 180 000 / year) are not eligible to apply for these scholarships.

Application forms not signed, as well as those that are incomplete, illegible or incorrectly completed will not be processed. Application forms from those who do not receive scholarships will be destroyed.

If you have questions, please contact the Scholarship Secretaries at stipendier@uplandsnation.se
